Nebraska Bankers Attend Government Relations Summit

President Jeff Johnson recently attended the ABA Government Relations Summit in Washington D.C. More than 1,200 bankers from across the nation attended the Summit. Johnson attended sessions where regulators, Senators, and Congressman discussed Banking issues. The two keynote addresses were by Senator Mark Warner, D Virginia and by Fox News Special Report Host Brett Baier. The Nebraska Bankers then went to Capitol Hill and met with Nebraska's Congressional Delegation to further discuss issues directly affecting Banks in Nebraska
